

Reach SVHC 253 Certificate

Date: 24-Apr-26

Dear customer,

The following item(s) are manufactured or purchased in accordance with, and conform to the Gravotech product specifications.

We refer to the REACH legislation 1907/2006. SVHC's on the Candidate list published by the ECHA (European Chemicals Agency) on 4th February 2026 have not been intentionally added to the products listed below – as well as any articles contained within the products - and therefore, to the best of our knowledge, are not contained above 0,1% wt/wt.

This certificate does not cover any packaging accompanying the material and only covers the material as applied. This information is based upon information provided by suppliers, technical assessment of products, or based on results of testing using recognized analytical methods performed by a third party, independent laboratory. As such, Brady makes no independent representations or warranties - expressed or implied - and assume no liability in connection with the use of this information.

The items are:

Material	Material Description
-	Acrylic - Fluorescent
-	Acrylic - Frosted
-	Acrylic - Opaque
-	Ecocut Laser
-	Acrylic - Clear
-	Gravoglas™ 1
